

The Cardinal Golf Club

NEWS & EVENTS

Note from the Manager, Scott Neal:

It has finally stopped raining and we're able to drive carts on the Golf Course. It's my understanding that the amount of rain we've received in the past month has set some records. Speaking of golf carts, I need everyone's help following the cart path only rules when it has rained. The cart path only rules protect our golf course conditions and that is very important! Unfortunately, I have had to speak with a few people for violating the cart rules. Also, if you have a handicap flag, you still may not drive on the course on the par 3's, past the rope or indicator of carts returning to the cart path and tee complexes. When a team member sees violations of these rules, it will be addressed with the customer. I appreciate everyone's due diligence with protecting the golf course.

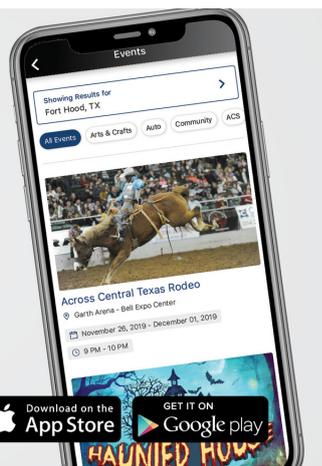

Golf Pro Tip

Golf Pro Tip: As a PGA Professional I use the acronym "PGA" In most of my Lessons. You can use it as well. Use **P** for Posture, **G** for Grip and **A** for Alignment. These basic fundamentals are used by the best players in the world. If it's good enough for them, it should certainly be good enough for the rest of us. If anyone has questions or needs help with any of these areas, feel free to seek me out and I'll be happy to help you.

FIND THE FUN

Looking for something to do over the weekend? Find fun events and activities at your installation with the **NEW** Digital Garrison app on your smartphone or tablet.
