

Note from the Manager, Scott Neal:

The Turkey Shoot Tournament was a big success with good weather to go along with it. I want to thank all those who participated and hopefully you enjoyed your turkey that you picked up after the event.

New Rental Clubs have arrived! Many people take advantage of the rentals and at \$8.00 you can't get a better deal anywhere. The one thing that I ask of all the people who use them is, please take care of them as if they were your own.

We currently have 2 sets of Titleist Golf Clubs for sale. Ask Golf Shop Personnel for details.

We are still fighting this issue of golf carts losing their charge and breaking down during your round because of battery issues. We are actively working towards a resolution regarding this. Please be sure to have the Pro Shop number on hand (804) 734-2899 and we will send someone out right away with a new cart.

<u>Winter Rates</u> December 1st - February 28th

Weekday Rates: Monday - Thursday: \$25.00 Weekend Rates: Friday - Sunday: \$30.00 Weekday Twilight: Monday - Thursday: \$20.00 Weekend Twilight: Friday - Sunday: \$25.00

Golf Pro Tip

When hitting Iron shots, remember, the divot happens in front of the ball, not behind it. Some people don't create divots when they swing but I guarantee they at least brush the grass when swinging. If you're having trouble making solid ball contact, imagine a piece of grass or something else that's just in front of the ball. When making your swing you have to brush that piece of grass. If you do that and your clubface is square to the target, I bet you'll hit a pretty solid golf shot.

Maintenance Update from the Superintendent, Billy Edwards

Wish we could say different from November Newsletter but we continue to be very wet on the Course. The one thing that has changed is, we have had enough cold weather to kick the grass into its dormant stage. We have begun our pigment applications on greens for winter color. Our fall/winter mowing heights are in place. Occasional mowing/rolling of Greens Complexes will occur when weather allows.
