[NOV. 12 – DEC. 10]

WHAT'S CHANGING?

TRICARE is implementing an Open Season for enrollment.

You can only enroll in TRICARE Prime or TRICARE Select or switch plans during Open Season or after a qualifying life event (QLE).

To learn more about QLEs, visit www.tricare.mil/LifeEvents.

Many TRICARE-eligible beneficiaries will qualify for the Federal Employees Dental and Vision Insurance Program (FEDVIP).

- The TRICARE Retiree Dental Program (TRDP) is ending on Dec. 31.
- If you're currently enrolled in or eligible for TRDP, you must select a FEDVIP dental option to continue or begin dental coverage.
- FEDVIP vision will provide access to comprehensive vision insurance, including eye glasses and contact lenses.
- To participate in FEDVIP dental or vision, you must enroll during Open Season.

The Community Action Council (CAC) Kenner Army Health Clinic

Attention Retirees

The current TRICARE Retiree Dental Program will end
DEC. 31, 2018.

During the 2018 Open Season, you can enroll in the Office of Personnel Management's (OPM) Federal Dental and Vision Insurance Program (FEDVIP) for dental benefits in 2019. Also, for the first time, most military retirees and their family members who are enrolled in a TRICARE health plan will have the option to enroll in vision benefits through FEDVIP.

Dental care improves oral health.

Given increasing connections between oral and overall health, dental coverage is critical.

Most adults need vision correction.

Approximately 66% of Americans age 18 and over report using glasses, contacts or both.

2019 FEDVIP Dental Plans:

When: To start the October 18th drill @ 10:18, the Fort Lee Installation Operations Center (IOC) will send a test earthquake message through AtHoc that will trigger the drill.

Why: Earthquakes can occur whenever and wherever conditions are right, throughout the year. In an average year, 1,300,000 earthquakes occur worldwide of which 3,836 have occurred in the United States between 2000-2017 alone.
