## Career Pathways & Tuition Assistance

TYLER

### ATTN: Fort Lee Spouses & Families

#### New Career Pathways & Educational Opportunities Available Virginia's G3 Tuition Aid Program

- G3 is a tuition assistance program for any Virginia resident who qualifies for in-state financial aid and whose family income is less than or equal to 400% of the Federal Poverty Level (roughly an income of \$100,000 for a family of four)
- G3 aid covers community college programs in the areas of Healthcare, Early Childhood Education, Information Technology, Public Safety and Skilled Trades.

#### How does G3 tuition assistance work?

G3 assistance makes up the difference between what federal or state financial aid pays for and the cost of tuition, fees and books. G3 can help pay the remaining tuition balance after all non-loan aid has been applied. Participants can also receive a student incentive support grant of \$900 if enrolled full time (12 credits).
